

Ken Reid Memorial Golf Tournament

in support of **JUVENILE DIABETES**

MONDAY, AUGUST 28TH 2017

Ken Reid was a proud member of the International Union of Painters and Allied Trades. His belief in Unionized Trades was one of the ruling characteristics that formed his life, and his career. He was very active in the WWD&G Building Trades Council. He considered every trade, and every person involved in the Building Trades as having something unique and important to bring to the table for the betterment of construction in our area. He always prided himself in belonging to "the best Building Trades Council" in the province.

Being so active in both his union and the Building Trades enabled him to partake in many golf tournaments during his career. He would always be found on the greens with his golf bag of tricks which became his signature. He believed life is too short, so have fun and laugh was a motto he lived by, even during golfing! By far, the Golf Tournament he held very close to his heart was the JDRF Golf Tournament.

He felt JDRF was a charity which needed the attention and fund raising and he looked forward to participating every year. Although Ken is no longer with us in person, his spirit will remain

Includes:

18 holes of championship golf, free driving range, lunch, carts, prizes, \$50.00 tax receipt
