**Building Trades Mayoral Endorsement**

On behalf of the Waterloo Wellington Dufferin and Grey Building and Construction Trades Council we are pleased to offer our endorsement of Shannon Weber as the preferred Mayoral Candidate for the City of Waterloo.

Shannon's willingness to meet, discuss and consider the issues that the building trades and our membership hold important as well her commitment to our City and Region gained her our support.

We encourage all our members to consider her in their selection for Mayor of Waterloo.

We wish all the candidates in all areas of our political process well and encourage not only our membership but all eligible citizens to participate in our municipal election process.
